Cairns Local Cars Pty Ltd -Automotive technician

Date Posted: 03/12/2025

Pay per annum: $70,000 - $80,000

Job type: Full-time

Location: Cairns QLD 4870

Full job description

Cairns Cars is a leading automotive dealership with service & parts centres in Far North Queensland, supporting 8 car franchises & 2 motorbike franchises. As we continue to expand, we are looking for 3 skilled and motivated **Automotive Technicians/Mechanics**.

At Cairns Cars, a good fit with our culture is just as important as your technical skills. Come and join our dynamic team of technicians and front-of-house staff who work closely together, supporting each other, and who all take pride in delivering exceptional service.

You will be working in any of our three service workshops, servicing new & Used vehicles. This is a fantastic opportunity for a professional who is passionate about delivering high-quality workmanship and growing their career with a supportive and reputable business.

What You Will Be Doing

- Performing scheduled servicing and general maintenance, plus RWC inspections.
- Diagnostic and fault-finding work (depending on experience)
- Carrying out warranty and recall repairs
- Completing repairs and recommendations in line with manufacturer and dealership standards
- Providing excellent customer service and maintaining a professional presentation
- Maintain accurate job records, service notes, and repair documentation.
- Follow all workshop safety, quality control, and environmental standards.
- Use and maintain workshop tools, equipment, and diagnostic devices safely and correctly.
- Communicate effectively with service advisors and customers regarding repairs required, timeframes, and costs.
- Work collaboratively with other mechanics, apprentices, and workshop staff.
- Support training and mentoring of junior technicians when required.

What You Will Bring

- A completed TAFE Certificate III in Light Vehicle Mechanical Technology or a Cert IV or 3 years work experience is advantageous
- A current Australian manual driver's licence
- Hold or have the ability to obtain RWC licence
- Strong diagnostic and problem-solving skills
- High attention to detail and commitment to cleanliness
- Clear written and verbal communication skills
- Good time management and organisational ability
- A positive attitude and solid work ethic
- Minimum of 1-year full time work experience is required

What We Offer

- Generous remuneration package including a commission structure, based on your skill set.
- Ongoing training and career development opportunities
- The chance to work with a highly skilled, supportive team
- A positive and professional workplace culture
- Monday to Friday 38 hr Full time position
- Remuneration between $70,000-80,000 per annum based on qualifications

Benefits

- Employee discount
- Professional development training
- Manufactures training

Work Location: on Site

Please note: The applications closing date will be on 5th January 2026
